SECTION TWO ENROLLMENT

- **ENROLLMENT PROCESS**

Eligible students and their dependants (spouses & children), if any, who intend to participate in this International Students Health Insurance coverage (the “Program”) are required to complete enrollment and premium payment online via <https://online.berjaysompo.com.my/usm/>

- **CERTIFICATE OF INSURANCE**

Upon success of e-enrollment, you will receive a copy of the e-Certificate of Insurance showing the insured person (international students and dependants) basic details namely the full name, passport number, period of insurance, coverage plan and plan details. The information on the Certificate of Insurance will form a record of insurance and also useful to facilitate the visa application.

- **MICARE MOBILE APP (MyMed)**

This Program uses extensively the services of the following Service Providers or TPA:

MICARE SDN BHD (“MiCare”), who is the TPA for the Program and will be assisting the insured persons to access healthcare and manages all admitted claims on behalf for the Insurer. MiCare will send a “Welcome Come” e-mail to all eligible students via the registered e-mail address for MyMed app activation upon successful enrollment. Student may view their e-Medical card with MyMed app. The e-Medical Card is useful to facilitate access to healthcare providers – physicians, hospitals, ancillary service centres.

- **GUARANTEE LETTER FOR PANEL HEALTHCARE ACCESS**

This program is designed with your best interest at heart. As such, the insurer has arranged with various preferred hospitals (the “Panel Hospitals”) for your accessibility to healthcare on a “cashless” admission.

For this cashless admission to be valid, the insurer will have to first establish that the medical condition that you are currently seeking treatment for is covered under the terms of the insurance policy. This process of validating your admission is referred to as the **Pre-Certification** process. Once you are pre-certified for a covered medical condition, a Guaranteed Letter for admission will be given to the hospital, and all **eligible** hospital and allied medical expenses, including doctors’ fees, will be settled directly with the hospital.

In the event, if your medical condition is beyond the terms of coverage or if there are other doubts or discrepancy, and there is a possibility that the Insurer will not be responsible to pay for the treatment, the pre-certification process will be invalidated. If such circumstances, if you intend to proceed with the treatment, you will have to personally settle all amount due to the hospital and later submit your insurance claim to the insurer for a review and assessment of your impending claim.

SECTION THREE

HEALTHCARE UTILIZATION

- **Access to Medical Care Facilities**

The program provides health insurance specified in the **Schedule of Benefits**. All insured students are provided with a guide copy as reference for access to hospital facilities in Malaysia. Insured persons will receive services upon presentation of their e-medical cards at these hospitals, including physician's office and ancillary service centres across the country. If necessary, the healthcare providers may call the TPA in order to verify eligibility or to ascertain that the student or dependent is covered under the program. Upon the TPA's confirmation, the healthcare providers will render services, adhering to any pre-certification guidelines as are required. Except for certain **Ineligible expenses** which fall under the student's responsibility as per the Schedule of Benefits where applicable, otherwise all medical bills will be forwarded by the healthcare provider directly to the TPA for claims processing. Once the claims are validated and admitted, your claims will be settled directly with the healthcare provider.

- **Co-ordinated Care Program**

Co-ordinated Care now constitutes an important component to healthcare in Malaysia and is a major review of utilization of medical facilities under the program. In Co-Ordinated Care, the insurer and healthcare administrators seek to provide healthcare quality assurance and cost-containment, for the long-term benefit of patients, medical services providers and program sponsors. The Co-Ordinated Care Program evaluates proposed treatment or services to assure that care received is appropriate and medically necessary for an insured person's healthcare needs. In addition, the program prescribes healthcare access procedures which are designed for the best available care at the most reasonable cost. **These processes are core to our program and serves to provide insured persons with affordable quality care in the relatively high cost healthcare environment.**

- **Pre-Certification and Utilization Review**

The Program provides these services to ensure that the hospitalization of insured persons is informed by professional opinion of cost-effective physicians and other healthcare practitioners. Hospital admissions comprise some of the most expensive medical care services and must be adequately managed to allow the program to respond to the patient's needs and produce the finest care available at the most reasonable cost. For this reason, it is mandatory that insured persons calls the toll-free telephone number shown on the medical card for **pre-certification** as stipulated hereunder:

- i. **Non-emergency hospital admission** : call **4 days** before admission
- ii. **Emergency hospital admission** : call within **48 hours** of admission

This service is available to insured persons 24 hours every day. Initial pre-admission screening may indicate a need for our utilization review to conduct a large-case management for a healthcare professional to maintain continuous follow-up throughout the patient's hospitalization.

SECTION FOUR

CLAIMS SUBMISSION AND PAYMENT

- **General Claim Submission**

Physician, hospital and ancillary service centre bills for **Inpatient Services** rendered to insured persons will be forwarded by the healthcare providers directly to the TPA. As a general rule, students will not be required to make out of pocket payment for inpatient medical services received except for certain services in respect of which a co-payment for ineligible expenses, where applicable, as stipulated in the schedule of benefits.

- **Payment of Claims**

The TPA will review, and process all claims received from healthcare providers throughout the country. Once the claims are admitted by the insurer, the TPA will pay the claims directly to the healthcare providers or students as applicable. The same process will be accorded for reimbursement claims i.e. students for expenses which were initially settled by the insured person.

- **Subrogation**

If the insured person is injured or becomes ill through the act or omission of another person, and if benefits are paid under this program due to that injury or sickness, the program is entitled to a refund of all benefits paid on his/her behalf against the negligent party unless prohibited by any applicable law in this country. Insured persons are required to cooperate with the insurer to ensure that subrogation is obtained.
